Return Reference	Explanation
Part I, Line 1a	First class travel- The chairman of the board of directors and spouse are authorized for first class travel. The chairman of the American gas association serves on a voluntary basis and contributes a significant amount of time traveling in carrying out those duties. It is therefore appropriate during the chairman's tenure that the association reimburse the chairman and or the chairman's company for expense incurred in the conduct of the chairman's duties and in accordance with AGA's travel policy. The president & CEO is eligible for business class travel expenses on flights scheduled for more than 2-1/2 hours. If business class travel is not offered for a specific flight, first class travel expenses may be reimbursed. Travel for companions- The association recognizes that there will be occasions when it is appropriate for the Chairman's or the President and CEO's spouse to travel on behalf of the Association. In these cases approval for the travel must be received in advance. AGA considers expenses of a traveling spouse to be taxable income to the employee. Expenses are added to the employee's W-2 wages in accordance with the law and appropriate taxes are withheld.
Part I, Line 4b	457(f) plan. David McCurdy, contributions of \$350,000 and distributions of \$1,952,656. Lori Traweek, contributions of \$75,000. Kevin Hardardt, contributions of \$50,000. Christina Sames, contributions of \$50,000.
